Thank you for your interest in our HMS Student Council! Student Council is student-led organization that focuses on 3 main areas:

1. Student leadership
2. School events and activities
3. Service within the community

Important info:

1. ****Student council meets Tuesdays from 2:15 until 3:00pm.****

2. Attendance and participation is necessary to run an effective Student Council. If selected to be part of this club, your attendance is mandatory. If you miss more than two meetings you may be removed from the club. Please think about this as you sign up for other clubs/sports!!!!!!

3. As a student council member, you are a representative of the HMS student body. Having good grades and regular attendance is extremely important. Student Council members are leaders in the school community and are therefore held to higher academic and behavioral standards. Failure to meet expectations in these area can result in the removal from the club.

4. Due to increasing popularity, Student Council may need to limit the number of members accepted. Please be thorough in your answers!

Please contact the Student Council Advisors, Mrs. Sutton (C-1) or Mrs. Comber (B-2), with any questions!

What traits do you have that would make you a strong member of the Student Council?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Student council participates in many activities within the community such as: volunteering at a local nursing home and attending county and state leadership workshops. In 2-3 sentences, please tell us why you would make a good candidate to represent your school during these activities and state your ability to attend these events. (Some events take place during school, but are extended day field trips, and two overnight field trips, but all will require you to miss some school time.)
