

RECYCLING CLUB PERMISSION SLIP

Dear Parent,

Your child _____ has shown an interest in participating in the Recycling Club for this school year. This is what the club involves:

- Each Thursday, a team of students will report to Ms. Zanetti’s room (D-8) directly after school and will collect recycling from all rooms in the school and place the material into the recycling dumpster.
- Students must be picked up no later than 3:00 from the front of the school. There may be days when we finish prior to 3:00, but we will never run later.
- If schools are closed early, club is cancelled. In case of an emergency cancellation, students should listen to the morning announcements for information about club cancellation.
- Students will earn service learning hours for their active club participation.
- There will be an orientation meeting on Wednesday, September 25, 2019. All students interesting in the club should be present to learn the procedures of collecting and disposing of the recycling for the building.

If there seems to be enough interest we will make more than 1 team. The teams will work on a rotating basis; if there are 3 teams, they will stay once every 3 weeks. If there are 4 teams, they will stay once every 4 weeks.

THANK YOU,

Karen Barboza

Yes, my child would like to participate in the Recycling Club for the 2019-2020 school year. I understand that I need to pick up my child NO LATER than 3:00 in front of the HMS building on Wednesday afternoon (a schedule will be sent home so that you know WHICH Wednesdays your child’s team will meet).
