

# Math 6

**Summary:** Math 6 focuses on:

- Connecting ratio and rate to whole number multiplication and division and using concepts of ratio and rate to solve problems.
- Completing understanding of division of fractions and extending the notion of number to the system of rational numbers, which includes negative numbers.
- Writing, interpreting, and using expressions and equations.
- Developing understanding of statistical thinking.

**Key Topics:** Numbers, Rational Number and their Operations, Proportionality, Ratios and Rates, Equivalent Expressions, Equations and Inequalities, Geometry, and Measurement and Data

**Expectations:** Come prepared always ready to do your best. Ask questions if you do not understand something, teachers are here to help. Plan on completing work nightly.
