

# National Junior Honor Society

**Summary:** NJHS is a national organization that benefits school, community, and members. Through NJHS members complete service projects that benefit your school and community while gaining valuable skills for NHS in high school. At the midway point of your 6<sup>th</sup> grade year those who are eligible will be invited to apply. If you are accepted you are on the road to helping your school and community through events like caroling at Broadmead Retirement Home, creating meal placemats for Meals on Wheels, and supporting the school through various activities!

**Key Topics:** Make sure to maintain a 3.5 GPA and good behavior and attendance! NJHS is a very rewarding and fulfilling organization to be involved with!

**Expectations:** NJHS will start each year in September and meets once a month through the school year after school. Also, community events and service projects will take place throughout the year at various times and locations!
