

Hereford Middle School Book Clubs

Summary:

The goal of both HMS Book Club's is to bring together students who enjoy reading graphic and/or traditional novels in a friendly environment to discuss a shared book. Book Club members will be exposed to books from a variety of genre that will help broaden their perspective and improve their reading skills.

Expectations:

Each book clubs meets after school one time a month in order to give students time to read the assigned novel and prepare for the next club meeting.

Clash of the Covers is a county wide middle school competition modeled after Battle of the Books that occurs at the elementary school level. The 2019-2020 school year was the first year HMS was to be involved, sadly, due to moving school online the event was canceled. We look forward to being involved in this upcoming school year!
