Key Topics: Quiz Bowl is a county-wide club where students at various schools compete against one another in an "It's Academic" format answering questions about history, politics, and pop culture.

Expectations: Quiz Bowl runs weekly until 3 PM (currently, it runs on Thursdays but is subject to change with each school year.) Students also travel up to 5 times during the school year to other schools for competition during the school day. Students must be in good academic standing in order to miss class and will need to make up the work that they miss for matches. On these trips, students must provide their own lunch. Only students who consistently make practice will be considered for travel matches.
