

Hereford SADD club

Summary: The purpose of SADD club at Hereford Middle School is to promote positive behaviors for middle school age students. We encourage positive decision making and promote various programs through BCPS that encourage students to make good choices.

Key Topics: SADD club has spread positivity as part of the BCPS Mind Over matters campaign by making signs with positive messages. We have also written daily positive affirmations to be read on the morning announcements to encourage students to build a more positive self-image.

Expectations: The club meets every other week and sometimes during lunch shifts
